This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Your committee filed a 24 Hour Report (see attached) informing the Commission of independent expenditures made in support of federal candidates which have been designated for the 2016 Primary. Please be advised that itemized independent expenditures disclosed on 24 and 48 Hour Reports should disclose the following information: the name and mailing address of the payee, the purpose of the expenditure, the date the communication is publicly disseminated or distributed, the amount, the name and office sought, state and district (if applicable) of the federal candidate, the calendar year-to-date, per election, for office sought total, the election designation, an indication of whether the candidate was supported or opposed and the signature of the treasurer. Please amend the 24 Hour Report by providing the individual states where the communications were publicly disseminated or distributed, and the amounts attributed to each state. The Commission notes the Memo Text attached to the report that states "The independent expenditures listed in this 24 Hour Notice Filing were all for expenditures of communications and items that were disseminated nationally and equally distributed among the states."
